INTERVIEW SUMMARY

Applicant wishes to thank the Examiner for the courtesy of an Interview conducted November 23, 2004. In the interview, in which Applicant's representative Brian J. Gustafson and Examiners Hong and Schlaifer participated, no agreement was reached. Claim 1 was discussed with particular reference to the cited art of Hollingsworth. Specifically, Applicant's representative described how Hollingsworth fails to describe moving a page structural element, without deformation, where only a single attraction point of a plurality of attraction points for the page structural element is activated as attractive.
